

Job Posting Certified Physician Assistant

Active Medicine Toronto (AMT) is a multidisciplinary clinic that provides medical and allied health services in sports medicine, orthopaedics and executive health.

AMT is centrally located in Yorkville, Toronto, near transit.

Position Overview:

We are seeking a highly motivated and skilled Physician Assistant to join our team. The ideal candidate will have a strong background in sports medicine and orthopaedics, and a passion for delivering exceptional and timely patient care. This role requires working collaboratively with our physicians, allied healthcare professionals and administrative staff to ensure the coordinated delivery of high-quality patient care.

Key Responsibilities:

- Conduct detailed patient assessments, including medical histories, physical examinations and diagnostic evaluations (including ECGs).
- See patients for both scheduled and urgent appointments.
- Manage sports injuries, musculoskeletal conditions and pre/post-operative care for orthopaedic surgery patients.
- Administer musculoskeletal joint injections, with or without ultrasound guidance (training provided).
- Perform venipuncture procedures for blood tests or PRP injections.
- Fit patients with custom and off-the-shelf orthopaedic braces, including post-operative bracing options.
- Assist in procedures, both in the clinic and the operating room.
- Monitor and document patient progress, adjust treatment plans as necessary and ensure continuity of care.
- Maintain accurate and timely patient records, utilizing EMR to thoroughly document patient encounters and communications.
- Educate patients about conditions, treatments and preventive strategies to promote long-term health and wellness.
- Collaborate with a multidisciplinary team, including physicians, physiotherapists, chiropractors and athletic therapists, to provide comprehensive and integrated patient care.
- Triage incoming referrals to appropriate physicians.
- Implement and update clinical protocols.
- Participate in the development and implementation of medical directives.

Required Qualifications:

- Bachelor of Health Sciences (BHSc(PA)) or Master's degree (MPAS) from an accredited university program.
- Certification and membership in good standing with the Canadian Association of Physician Assistants.
- Professional liability insurance coverage.
- Two years of practical and related work experience in orthopaedics and/or primary care is preferred; however, new grads are welcome to apply.
- Strong attention to detail and the ability to thrive in a fast-paced clinical environment.
- Proficiency in recognizing and managing clinical scenarios that require urgent medical attention.
- Commitment to high-quality and safe patient care, demonstrating adherence to clinical best practices.
- Exceptional organizational, interpersonal and communication skills, with the ability to connect effectively with both patients and colleagues.
- Compliance with privacy and confidentiality requirements.
- Experience in EMR systems.

Employment Type: Full-Time

Salary Range: \$95,000.00 to \$110,000.00, commensurate with experience.

How to Apply: Please send a cover letter and your resume to betty.psarris@activemedicinetoronto.com.
