

PHYSICIAN ASSISTANT

Exciting Job Opportunity with the Children's Hospital of Eastern Ontario (CHEO)!

MUST HAVES:

- Graduate of a recognized Physician Assistant Program
- Experience in Pediatric Emergency Medicine
- Registration as a Physician Assistant in Ontario with CPSO (College of Physicians and Surgeons of Ontario)

Physician Assistant, Emergency Department

PERMANENT FULL TIME

POSITION SUMMARY

The Physician Assistant (PA) at CHEO works alongside the physician in the Emergency Department to provide care to the patients requiring these services. The PA integrates the skills and knowledge from medicine practice. The PA functions both autonomously and in collaboration with physicians and other health care providers to manage, in a comprehensive manner.

Working closely with the Emergency Interdisciplinary team, the physician assistant will participate in the management of patients presenting to the Emergency Department and will be involved in teaching and medication/treatment management.
