

Active Care is a large primary care and specialty medical group in the west of Ottawa. We serve over 22,000 patients in Ottawa. Chosen applicants will work along side one of our primary care physicians to deliver care.

We are a very collegial group of physicians with varying interests who will always be there to support and teach you. The clinic is well staffed with admin support and RPNs. We work with Accuro EMR. Experience with this EMR is an asset but not required for the position. We are looking for applicants who work well in a team environment and are open to working with high volume practices.

Roles and Responsibilities:

- Provide a full range of primary care services including assessment, diagnosis, treatment, follow up, education and referrals as needed.
- Diagnose and treat acute minor illnesses
- Collaborate with physicians to implement treatment plans
- Inbox management and follow up of ordered investigations
- Maintain clear and up to date notes on our EMR

Qualifications:

- Graduate from an accredited Physician Assistant Program
- Either holds or is in the process of obtaining certification as Physician Assistant

Compensation:

- Depending on experience and whether you are interested in part-time or full time work, annual salary can range from \$62,000 – 120,000\$
