Physician Assistant – Certified

Employer: Danforth Neurology, 235 Danforth Ave, Toronto, ON, M4K 1N2

Job Type: Full time, Part time **Start date:** Flexible **Pay:** \$40-55 /hr

We are seeking a part-time/full-time Physician Assistant to join our group of neurologists (one full time, two part-time). We are a neurology practice that assesses and follows patients with headache, dementia, seizures, Parkinson's disease and other neurologic conditions. The ideal candidate will have some experience with neurology, but new graduates are encouraged to apply.

Qualifications:

- Graduate of a Physician Assistant Program (Canadian/US)
- Certified of Eligible for Certification by the Physician Assistant Certification Council of Canada and eligible to work in Canada/Ontario

Duties:

- Obtain and document vitals, medical history and current symptoms
- Document encounters on our EMR (paperless clinic).
- Assit the neurologist to document the neurological examination, assessment and plan
- Provide routine patient follow-up and support.
- Assist in patient education and developing a patient education plan.
- Local candidates are preferred

Requirements:

- Provide excellent clinical care and be able to work independently.
- Provide follow up by phone with patients
- Fluency in English is required.
- Experience in chronic neurologic diseases is an asset
- Experience in preparing nerve blocks and Botox is an asset
