

**URGENT!!!**

## **Job Opportunity: Physician Assistant - High Volume Urgent Care**

**FULL TIME POSITION**

**MIX OF DAYS AND EVENINGS (9-5 OR 1-8)**

**OCCASIONAL WEEKENDS (9-1)**

Priority Health Clinic is seeking a dedicated and skilled **Physician Assistant** to join our high-volume urgent care team. Situated in the state-of-the-art **Jerry Coughlin Health and Wellness Center** in Pickering, our clinic handles a wide range of cases, exceeding the scope of a standard walk-in clinic.

You'll work alongside a collaborative team managing cases such as:

- Lacerations and wound care
- Incision and drainage (I&D) procedures
- Non-displaced fracture management
- Standard Walk in clinic care

We are proudly partnered with **Lakeridge Health Corporation** and are experiencing rapid growth in demand for our services. This is an **urgent hire**, and we offer:

- **Competitive compensation rates** with potential for increases linked to productivity
- A modern and supportive work environment in a newly built facility
