The Opportunity: A Partnership in Excellence

We are seeking a high-performing, autonomous Physician Assistant to serve as our **Lead Clinical Associate**. This is a "right-hand" role designed for a self-motivated professional who thrives in a fast-paced environment and is eager to grow a specialized aesthetic service line within an elite medical practice.

In this role, you will be the clinical engine of the practice. You will oversee the entire patient journey - from initial consultation to final postoperative reveal - while actively building and managing a dedicated aesthetic clientele.

Exclusive Perks & Professional Growth

- **Aesthetic Service Leadership:** Lead and expand a specialized aesthetic division within the corporation, building a loyal patient base. This includes energy-based devices like laser and injectable treatments.
- **Professional Development:** Generous stipends for educational opportunities and advanced certifications to support your growth as an industry leader. Support for any research interests.
- **Aesthetic Services:** Access to in-house aesthetic treatments and medical-grade skincare.
- **Comprehensive Benefits:** Including dental, health, and wellness coverage.

Key Responsibilities

- **Perioperative Leadership:** Conduct preoperative consultations, ensure medical optimization, and coordinate with external providers for surgical clearance."
- **Surgical Coordination:** Manage surgical scheduling, meticulous chart preparation, and ensure a seamless "white-glove" flow on the day of surgery."
- **Postoperative Care:** Provide expert clinical care inside and outside of the OR, including suture removals and assistance with follow-up appointments. This job involves backup call to Dr. Roskies."
- **Aesthetic Growth:** Perform and grow the corporation's aesthetic services, maintaining a focus on natural, high-end results."
- **Practice Sovereignty:** Operate as a self-starter who identifies clinical needs and implements solutions independently."

Candidate Qualifications

- **Graduate of a Canadian or US Accredited Physician Assistant Education Program."**
- **National Certification:** Candidates must be eligible to challenge the National Certification exam."
- **Licensure:** Current PA-C licensure in good standing."
- **Experience:** Background in surgery or aesthetics within a high-end private practice environment is preferred."
- **Attributes:** You are a self-starter who excels when given autonomy; you possess the poise and communication skills required to manage a high-maintenance international clientele."
