

## **Physician Assistant – Full time or Part time.**

**Ottawa, ON**

Calian is proud to continue a long-standing contractual relationship with the Department of National Defence (DND) to provide healthcare services to the Canadian Armed Forces. Through the Health Care Provider Contract, Calian employs health care professionals across Canada who are integral to supporting the health and wellbeing of our military members.

### **Position Overview**

Calian is looking for a dedicated Physician Assistant to join our healthcare team working at the **Canadian Forces Health Services Centre located at the Montfort Hospital in Ottawa, ON**. This is an incredible opportunity to work alongside military healthcare professionals in a dynamic and rewarding environment, providing top-tier medical care to an active and motivated population of military personnel.

You'll have the opportunity to work with a diverse group of healthcare experts, including physicians, nurses, mental health specialists, and pharmacists, all focused on delivering exceptional care. You will assess, diagnose, and manage a wide range of health conditions, ensuring that our Armed Forces are ready and fit for duty.

### **Responsibilities**

- Periodic Health Assessments and perform routine medical screenings
- Obtain medical/incident history; perform focused and comprehensive physical examinations,
- Obtain and interpret routine diagnostic tests (such as CBC, chest x-ray and EKG)
- Apply rapid intervention in the case of trauma and cardiac emergencies
- Provide health promotion and illness prevention in the areas of basic public, occupational, mental and community health
- Practice as a member of an interdisciplinary team and consults with members of other health professions as appropriate to ensure the healthcare needs of the patient are met
- Provide appropriate teaching and instructions to patients

### **Qualifications**

- Must be a graduate of a Canadian or US Accredited Physician Assistant program recognized by the Physician Assistant Certification Council of Canada (PACCC).
- Certified or in the process of becoming certified by the Physician Assistant Certification Council of Canada (PACCC) through the Canadian Association of Physician Assistants (CAPA)
- Current membership in good standing with CAPA
- Basic Life Support for Health Providers or CPR/AED Level C Certification

### **Additional Requirements**

- You will be able to obtain a Government Security Clearance at the Reliability level
