

**Nguyen Medicine Professional Corporation** is seeking a dedicated and detail-oriented Physician Assistant to join a specialized psychiatric practice in a part-time capacity. This role focuses on providing high-quality, collaborative care for patients living with concurrent disorders. The successful candidate will work closely with the lead Psychiatrist to enhance patient outcomes through measurement-based care and comprehensive case management.

### **Core Responsibilities**

**Clinical Care:** Perform delegated patient care duties based on individual skill, experience, and regulatory frameworks.

**Measurement-Based Psychiatry:** Support the implementation and tracking of clinical outcome measures to guide treatment.

**Documentation:** Complete daily clinical notes accurately and efficiently to maintain high standards of medical record-keeping.

**Care Coordination:** Manage complex cases and provide timely communication updates to General Practitioners and other members of the care team.

### **Position Details**

**Compensation:** \$60.00 per hour (No benefits).

**Schedule:** 4–5 hours per day, 4–5 days per week to total 20 hours a week.

**Term:** Initial part-time trial of 3–4 months, with the potential to transition into a full-time role based on performance and practice needs.

### **Qualifications and Requirements**

**Education:** Graduate of an accredited Canadian or US Physician Assistant Education Program.

**Certification:** Must be eligible to challenge the National Certification Exam (CAPA/NCCPA).

**Skills:** Strong interpersonal communication, proficiency in clinical documentation, and an interest in mental health and addiction services.

### **Application Process**

Interested candidates are invited to submit a Cover Letter and CV by May 30<sup>th</sup> 2026 to: [nguyenmedicine@outlook.com](mailto:nguyenmedicine@outlook.com). Only qualified candidates selected for an interview will be contacted.
