

Medical Centre

WellOne Medical Centre is looking for a Physician Assistant to join our team of professionals including doctors, nurses and administrative staff. The PA will provide medical care to patients in accordance with CPSO guidelines and the Delegated or Controlled Acts Policy.

Position: Physician Assistant - Family Medicine

Location: 18 Yonge Street – Steps from Union Station

Status: Permanent Part-Time

Reports to: Dr. Reyhaneh Ghadaki

Hours: 3 days a week – Clinic hours Monday – Friday 10 AM – 6 PM

Salary: \$40 - \$60 / hour negotiable based on experience – no benefits (+14% in lieu of benefits)

Description of Practice: WellOne Medical Centre is a state-of-the-art, modern, newly built, multidisciplinary medical facility including an on-site laboratory and pharmacy. We are located at Yonge and Lakeshore, steps from the Union Station and the Financial District. We currently have 4 Family Doctors, 2 RPNs and 2 administrative staff.

This position is open to new PA graduates and practicing PAs. Full support and training will be provided.

Responsibilities include:

- Performing certain acts under medical directives as delegated by the physicians
- Providing primary care services to patients including acute and chronic disease management, and preventative care
- Conducting physical examinations
- Prescribing prescription, ordering and interpreting diagnostic investigations, as required
- Performing diagnostic and therapeutic procedures (e.g. immunizations and PAP smears)
- Patient education on disease prevention and health promotion
- Creating referrals to other health professionals, as required
- Completing of disability, insurance and work forms
- Patient charting and medical documentation

Education and Qualification:

- Graduate from a Physician Assistant Education Accredited Program (in Canada or United States)
- Successful completion of CCPA exam or equivalent
- Certification of Physician Assistants (CCPA) or (PA-C)
- Professional Liability Insurance through CAPA
- Current BCLS or ACLS certification

Skills:

- Able to work effectively with all members of the health care team
- Knowledge and proficiency in current, evidence-based methods and practices of primary care delivery
- Experience using EMR system, Accuro preferred.

Please email all resumes to Sophie Niko - manager@wellone.ca
